

JPS/20-21/P/014

26/11/2020

Dear Parent,
Warm Greetings!

Believe you and your family are keeping well.

As you are already aware, Jyotirmoy Public School has always taken proactive steps towards the benefit of students and parents. Since the beginning of this Academic Session we all are experiencing an unexpected and unprecedented phenomenon of COVID 19.

Though the Lockdown started in the month of March, we had successfully conducted the following (presented chronologically):

1. **Publishing the Final Results of the Academic Session 2019-20 on time**
2. **Distribution of Text Books for Academic Session 2020-21 on time (arranging almost Door to Door delivery without any extra cost)**
3. **Start of the Academic Session 2020-21 as per the scheduled date on 06.04.2020**
4. **Distribution of the Split Syllabus for the Academic Session on the same day**
5. **Start of Live Online Classes from 08.06.2020 (for Classes X and XII initially followed by all other classes soon after)**
6. **General Meeting between Parents and Principal 21.06.2020 to 24.06.2020**
7. **Decision regarding the Fee to be kept same as per the previous Academic Session (2019-20), including no Transport Fee till the School Reopens**
8. **Conduct of Unit Test 1 (20.07.2020 – 24.07.2020) and Unit Test 2 (17.08.2020 – 21.08.2020) along with two PTMs (Classes III to XII)**
9. **Conduct of 3 Activity Assessment for Classes Pre Nursery to II along with PTMs**
10. **Revised Evaluation Calendar, as the Lock down continued was shared on 25.08.2020**
11. **Conduct of Mid Term Exam (Classes III to XII) from 21.09.2020 to 01.10.2020**
12. **Online Results of Mid Term 15.10.2020**
13. **PTM after Mid Term from 15.10.2020 to 19.10.2020**
14. **Unit Test 3 / Pre Board I is scheduled from 30.11.2020**

Apart from Academic activities, **school has been conducting Co-Curricular Activities** regularly for all Classes, so that it does not become monotonous for students to only study sitting at home. **Virtual celebration of Teacher's Day by students and Children's Day by Teachers were highly appreciated on our social media page.** You can visit our Facebook page to review all the activities conducted till date by our students and Teachers.

With all the above measures taken, we believe students and parents have been benefited.

However, realizing that the Lock down continues further and many of the parents would have faced financial difficulties, **due to the pandemic, JPS proposes for further support to all its parents. An amount of Rs 2000/- from the Admission Fee/ Readmission Fee is proposed to be waived off as an exception only for this Academic Session (2020-21).**

Though we are offering the exemption to all Parents, but at the same time, **we would like to place our sincere appeal to all such Parents who are otherwise not having any financial difficulties (especially Government Employees and Professionals with no Salary deductions due to Lock down) to pay the full Fee and help the school in functioning smoothly.**

With this reduction in the Fee, we sincerely look forward that Fee Dues (if any) will be cleared within 10.12.2020. **In case you have already paid the full Admission Fee / Readmission Fee for 2020-21, the same (Rs 2000/- as mentioned above) will be adjusted with the Tuition Fee Due (2020-21)/ Readmission Fee (2021-22).** Kindly produce the proof of the payment (in case required) already made in case of availing the reduction.

In case of further clarification, please feel to contact at 8584084111 / 9831178486, **only between 9 am to 5 pm.**

We have been receiving your support over the past years, and do hope that you will continue supporting us in all our future endeavours too.

Regards

Principal JPS
