

JPS/22-23/P/001

02/04/2022

Dear Parent,
Warm Greetings!

We hope you are all safe and healthy

It's been two years of unprecedented mishaps that had denied the most beautiful phase of a child's school life to be unwrapped. Children were forced to attend class from the safe haven of their homes, virtually. Though the teachers met the students regularly on the virtual platform, yet, we missed the face-to-face interaction with the kids as much as they missed their teachers, their friends and all the activities that make their school life the most happening phase in their growth. But all was not lost. Teachers at JPS have been regularly sending online study materials to help students, who couldn't attend classes for some foreseen reasons, calling the students up, to enquire about their and their family's well-being, conducting assessments in the evening with the sole purpose of letting parents act as proctors and ensuring that assessments happen in the most honest manner. JPS has also been regularly sharing notices in the Class Whatsapp Group to maintain transparency at all times between the school and the parents. Be it teachers, management or parents, all have come a long way and it is with everyone's contribution that the flag of JPS soars so high. We are grateful to the Almighty that situations are now gradually returning to normal.

With the new academic session of 2022-23, commencing from 04.04.2022(Monday), JPS eagerly WELCOMES BACK ALL with open arms!

The time to play and learn is back again. And we are immensely excited to see the school reverberating with the echoes of our children. They would be back after two years and would require your guidance to prepare for the 1st day of school.

Please find the TIME TABLE, WEEKLY PLAN AND SPLIT SYLLABUS being shared after this notice.
