Dear Parent,

It is our earnest desire to groom our students into well informed and conscious citizens who are aware of current events in their city and abreast with news and happening in the world. With this end in view we are happy to inform you that **The Telegraph Young Metro** is being **compulsory** for **Classes III - XII** to improve general knowledge and awareness. Facing interviews for college admissions and handling group discussions with confidence at a later stage in our students' lives demands a level of awareness that we hope will be facilitated with extra reading being made **compulsory**.

Young Metro is from the house of ABP and is a stand-alone daily newspaper (Monday to Friday) exclusively for students. The contents of this paper comprises school news, study help lines, personality development sections, celebrity interviews, ways to improve the English language, creative writing, drawings, paintings, cartoons, etc.

The annual subscription charge of Young Metro is **Rs. 300/-** where the newspaper shall be delivered to school. The subscription will start post Summer Vacation.

Benefits to the students:

- Free Story Book to all the subscriber.
- Nicco Park / BITM Discount Vouchers for all the subscribers.
- It can also help students to collect material and ideas for class projects.
- It will initiate reading habits among students.
- Students can participate in various events of Young Metro thus getting a stage to showcase their talent and also develop confidence for public speaking.

Kindly pay **Rs. 300/-** to the respective Class Teacher/ School Office by **30th April, 2019**.

We look forward to your usual support towards the benefit of your child.

Regards

Principal
